Dear Larry,

Please accept this long overdue note of thanks to you and to the staff of RDS Delivery Service.

I required courier services in Manhattan during the recent transit strike. It is with respect and admiration that I offer thanks to your staff for their valiant efforts during the strike when it was surely a real challenge to get around the city for those few days. But they got the job done!

Their dedication is certainly a tribute to your leadership. Thanks again to everyone, and best wishes for the New Year!

Warm regards,

A handwritten signature in blue ink that reads "Sandra V. Fiorelli".
