Dear Larry,

Thank you for putting me back into a state of gratitude – and making the day feel like a celebration!

Everyday is a gift – and on a day when doubt was the result of being overwhelmed with the havoc from the storm – you changed that!

You asked no questions and from the time I hung up the phone asking for one or two guys to help – to walking out onto the street – you appeared with 8 men and then all of you made it happen – all the debris that would have taken us a full day to remove, you accomplished in under an hour!

Larry, your swift response, your generosity and your kind words put me into such a state of gratitude that I am at a loss as to how to express my thanks.

You are my hero – my mentor – and I will always remain an adoring fan!

To know you is a pleasure.

To have you as a friend is an honor that I will always cherish!

Thank you,

Mardy Sitzer
