Dear Larry and David,

I feel compelled to write to you personally and thank you for the many years of great service provided by RDS. You were competent, efficient and always willing to take on any job and complete it to our satisfaction.

I would like to extend a "special" thank you to Latoya, Yvonne, Brandy and Alice with whom I dealt with on a daily basis. I found them to be courteous and obliging and in my opinion they are most definitely an asset to your company and a reflection of the high standard of service one can expect from RDS.

I wish all of you the very best, and hope the future will bring you the success you so richly deserve.

Sincerely,

*Veerani S. Gunavardhana
