Dear Larry,

On behalf of the Mount Sinai Medical Center we wish to thank you for accepting our invitation to participate in the June 1st 2003 National Cancer Survivors Day event.

We appreciate you volunteering your time and talents to the afternoons activities.

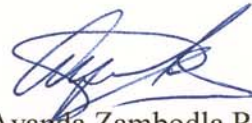

By so doing you helped us with our mission for the day which was to honor all people with a diagnosis of cancer and their families who support them.

We look forward to being able to work with you again on future events.

Yours Sincerely,
